Tips to Set-up a Virtual Recovery Meeting

To host a meeting on zoom:

1. Set up a free account here: <https://zoom.us> When you set up a free account, you can only host a meeting for 45 minutes. To host longer meetings, you need a paid account.
2. [Schedule a meeting.](#)
3. [Invite people to join a meeting.](#)
4. Create a flyer to publicize meetings. This flyer can be sent to group members via email and text, posted on self-help group's District Website, and posted on the door of the physical site that is closed in an attempt to reach anyone who shows up for a meeting.
